Phoenix Gold Announces Private Placement

Vancouver, British Columbia--(July 16, 2020) – Phoenix Gold Resources Corp. (the "**Company**") (TSXV: PXA) announces that it intends to undertake a non-brokered private placement offering (the "**Private Placement**") to raise gross proceeds of up to \$200,000 through the sale of up to 4,000,000 common shares ("**Shares**") of the Company at a price of \$0.05 per Share. The Company will pay up to 5% finder's fees in cash in respect of subscriptions from investors introduced by eligible finders. The Company intends to use the net proceeds of the Private Placement for working capital and general corporate purposes.

The Private Placement is subject to approval of the TSX Venture Exchange. All Shares issued pursuant to the Private Placement will be subject to a four month hold period from the date of issue.

Subject to regulatory approval, it is proposed that certain directors and officers of the Company (the "**Insiders**") will participate in the Private Placement. Participation by Insiders in the Private Placement would be considered a "related party transaction" pursuant to *Multilateral Instrument 61-101—Protection of Minority Security Holders in Special Transaction ("MI 61-101")*. The Company is exempt from the requirements to obtain formal valuation and minority shareholder approval in connection with the Insiders' participation in the Private Placement in reliance, respectively, on Section 5.5(b) of MI 61-101 as the Company is not listed on a "specified market" and on Section 5.7(1)(b) of MI 61-101 as a distribution of securities for cash not exceeding \$2,500,000 which is approved by independent directors. The Private Placement is not expected to result in the creation of a new control person of the Company.
